Best Head Adelaide

This ram comes from a long line of good breeding pedigree with his second dam 321/00 the dam of Johnos Caprice who boasts a successful show career. He has been our heaviest ram this season and has created some interest in the show pens with his presence and outlook. We are confident he will carry on his family's great breeding record.

Sire Johnos 'The Hulk'

369/06 (t)

Dam: Wongajong 10/04 by
Wongajong 112/01

1st place maternal class Hamilton

This is one of our highest figured rams and has the balance and quality of a stud sire to go with it. He comes from an old Wongajong ewe and is by The Hulk. He has an excellent dense fleece on a carcass full of meat. His exceptional fertility has carried on from this line of breeding
